

COMPANY *PROFILE*

ASTARCK
executing innovations

We shape our buildings; thereafter they *shape* us.
Winston Churchill

SPACES

Where

WE LIVE.

WE WORK.

WE PLAY.

Impact our life & well being,
more than we can imagine.

FACTS

10⁺ YEARS

30⁺ PROJECTS

20⁺ REPEAT CLIENTS

10⁺ BRANDS

12⁺ LOCATIONS

40⁺ MILLION SQFT

ASTARCK is full service-contracting firm that is dedicated to providing an experience to you - our clients.

We have all the **state-of-art technology** to ensure speed and accuracy to deliver the best INTERIOR solution.

Our process and systems are refined, thereby making our documentation clear cut and thorough. Today, we continue to evolve in our processes and in response to the needs of our clients, our goals remain to create interiors with a timelessness of design and function that provides inspiration and delight to its users.

Since its inception in Feb 2007, ASTARCK has been able to execute and showcase its excellence in more than 10 projects spread across 2lakh sq. ft. in India. Testimony to our quality workmanship, materials & responsive customer service stems for fact that one of the world leading studio design firm "Broadcast International Design Inc." from the United States of America has empaneled ASTARCK as their preferred executing partners in India.

MISSION

Building relationship and exceeding expectations by delivering value - added interior services to our customers.

VISION

*To be the leading and preferred company
in the Interior contracting business.*

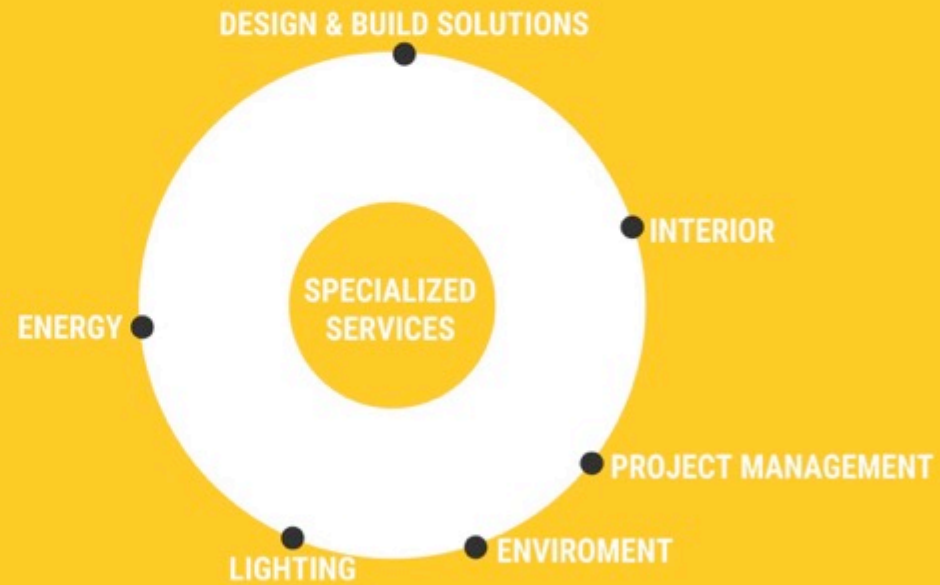

PHILOSOPHY

We are committed to understanding our clients' dreams, and call upon our passion for execution excellence to make them realities. Through an interview process of listening and exploring, we focus in what will best serve you and your project needs and are ready to work with you in the consulting process.

ASTARCK places a strong emphasis on planning, programming and time management of the project to ensure we deliver beyond your expectations.
